

Menù Pizzeria Le Fate

Pizza format and special doughs:

Our classic dough is made up of: stone-ground durum wheat flour, a mix of extra virgin olive oil and peanut oil, iodized salt and as a leavening agent we use "mother dough" (a natural leavening agent obtained from a fermented dough of flour and water) that we use in all our doughs; with a minimum leavening time of 48/60 hours before being served to our customers.

The classic format of our pizza is 32.5 cm in diameter but it is possible to modify it and have it in other formats and other doughs of your choice listed below:

Large pizza: (thinner) 40cm in diameter
